100 Series Touch-Up Sticks

Wax Fill Sticks

A quick, easy cosmetic repair of most minor dings, scratches or nail holes.

100 Assortment-all 50 colors in a roll out pouch

Our wax repair sticks are used for repairing small gouges, scratches or nail holes on an already finished surface. Our touch-up sticks are very easy to use, you simply rub the stick back and forth over the area pressing down evenly. After the void is filled you can either buff off the excess with a soft cloth or plane the excess off with a plastic putty knife (or credit card). If desired, the repaired area can be carefully colored with a marker and/or clear-coated. The Premier Touch-up Sticks are formulated using the newest and best waxes and pigments available resulting in a product that is very easy to use and will give long lasting results.
